Dear Mr. Kern:

In response to your letter dated April 10, 2001, requesting clarification on the 30 Day Post General Report, I have listed below additional information regarding the disbursement and contributions in question.

- 1) The disbursement issued to the National Republican Congressional Committee on October 30, 2000, was "excess campaign funds."
- 2) The Hal Rogers for Congress Committee does make its "best effort" to obtain missing information from contributors as required by federal law. Contribution solicitations clearly request the contributor information and inform contributors of the requirements of federal law for the reporting of such information. In addition, follow-up letters are sent to those contributors who have failed to provide all required information. The Hal Rogers for Congress Campaign Committee will submit any missing information that is received after the report filing on amended Schedule A forms.

If you have any further questions, please contact my campaign office located at P.O. Box 1214, Somerset, KY 42502.

Sincerely,

Kevin I. Promer
Assistant Treasurer
